EU Youth Dialogue – Youth Delegates

CONTEXT

The EU Youth Dialogue is a European process that enables young Europeans to discuss actual themes with policy makers and to take an influential role on European Youth Policy. The overarching themes and objectives for the EU Youth Dialogue are defined by the EU Youth Ministers while National Working Groups (NWGs) advocate the youth dialogue, organize national consultations and activities in order to involve young people actively in the process. *The 11th cycle of EU Youth Dialogue will focus on “Connecting EU with Youth”, based on the Youth Goal 1 (www.dialog.lu), as the main topic of the next three Presidencies consisting of Poland, Denmark and Cyprus.*
